Stand partition walls are not included in the stand area rental. If you do not bring your own stand system and also do not hire a stand system from bluepool GmbH, please bear in mind that stand partitions walls [rear and side walls] are compulsory. Each exhibitor must order the rear and side walls required for his stand. Wall elements already existing alongside the hall walls will also be charged and must be ordered.

If we receive the order less than 48 hours before commencement of the event, we reserve our right to increase the hire fee by 25 % of the list price valid at the time. You will receive the calculation for our performance before the exhibition. The established invoice has to be paid immediately.

All prices quoted are subject to the statutory VAT valid at this time [according to the relevant version of the Value Added Tax Act]. The stated service can only be performed if at the time there are no outstanding payments owed to the service partner.
